**Women's Early Bird Clinic - \$339.90**                      **Date: December 3, 4 - 2016**  
 Remove the pressure of learning to ski like a man and come join an all-women's two day early season ski clinic. Taught by women for women, this session focuses on an individual's performance and works toward mastering new techniques. This specific clinic is a building block to advancing one's skiing from the start of the season allowing women to gain confidence on snow before the first big pow day! Event is designed for intermediate and above skiers. Group size is maximum 6.

**Women's Clinic - \$509.85**    **Date: January 13, 14, 15 - 2017**  
 Led by women, for women! This clinic is designed for all advanced-intermediate to expert skiers looking to expand their horizons from off-piste through double black diamonds. Price includes: 3 Days of guiding and individualized instruction, video movement and analysis session. Group size is maximum 6.

**Dan Egan Early Bird Camps - \$339.90**                      **December 10, 11 - 2016**  
 This clinic is designed for skiers who want to learn and adapt their skiing skills for All Terrain Skiing. The camp will explore skier's range of balance and stance applied techniques to different terrain from groomed, bumps, steeps and trees. The weekend is designed for intermediate and above skiers who are motivated to take their abilities to a new levels and goals. Price includes: 2 Days of guiding and individualized instruction by Dan Egan and his team of trainers plus video movement analysis. Group size is maximum 6.

**Dan Egan Steeps Camps - \$679.80**  
 This clinic is designed for skiers who ski off-piste in variable conditions looking to take their skiing to the next level. Lone Peak has some of the best steep and challenging terrain in the country. This clinic provides you with tactics to explore black diamond terrain safely and confidently. Price includes: 3 Days of guiding and individualized instruction by Dan Egan and his team of steeps instructors, one morning First Tracks access to Big Sky terrain before public, video movement analysis session. Group size is maximum 5.

**Session 1: February 23, 24, 25 - 2017**

**Session 2: March 2, 3, 4 - 2017**

**Session 3: March 9, 10, 11 - 2017**

**ACKNOWLEDGMENT OF INHERENT DANGERS AND RISKS OF SNOWSPORTS**

**I acknowledge that skiing, snowboarding**, which means any activity that involves sliding, racing gates or jumping on snow or ice, **involves inherent dangers and risks that are part of the sport and cannot be eliminated** including: changing weather conditions; snow conditions as they exist or as they may change, including ice, hardpack, powder, packed powder, wind pack, corn snow, crust, slush, cut-up snow, and machine-made snow; avalanches, except on open, designated ski trails; collisions with natural surface or subsurface conditions, such as bare spots, forest growth, rocks, stumps, streambeds, cliffs, trees, and other natural objects; collisions with lift towers, signs, posts, fences, enclosures, hydrants, water pipes, or other artificial structures and their components; variations in steepness or terrain, whether natural or the result of slope design, snowmaking, or snow grooming operations, including but not limited to roads, freestyle terrain, ski jumps, catwalks, and other terrain modifications; collisions with clearly visible or plainly marked equipment, including but not limited to lift equipment, snowmaking equipment, snow grooming equipment, trail maintenance equipment, and snowmobiles, whether or not the equipment is moving; collisions with other skiers; the failure of a skier to ski within that skier's ability; skiing in a closed area or skiing outside the ski area boundary as designated on the ski area trail map; and restricted visibility caused by snow, wind, fog, sun, or darkness. I acknowledge these activities may be physically or emotionally demanding. I affirm my (or my child's) health is good, and that I (or my child) am (is) not under a physician's care for any undisclosed condition that might endanger my (or my child's) health or that of other participants. I recognize the inherent risk of injury or disability in this activity. **I accept all legal responsibility for injury or damage of any kind to the extent that the injury or damage results from inherent dangers and risks of skiing.**

**I agree that I (or my child) have a duty to ski at all times in a manner that avoids injury to the skier and others and to be aware of the inherent dangers and risks of skiing.** The skier shall: know the range of the skier's ability and safely ski within the limits of that ability and the skier's equipment so as to negotiate any section of terrain or ski slope and trail safely and without injury or damage; know that the skier's ability may vary because of ski slope and trail changes caused by weather, grooming changes, or skier use; maintain control of speed and course so as to prevent injury to the skier or others; abide by the requirements of the skier responsibility code that is published by the national ski areas association; obey all posted or other warnings and instructions of the ski area operator; read the ski area trail map and be aware of its contents.

I understand that my child may ride a chairlift without an adult and that not all chairlifts have lap bars.

I have carefully read this complete form, fully understand its contents and sign the same of my own free will and accord.

I grant permission to Big Sky Resort and Crystal Images to use my and/or my child(ren's) image(s) for purpose of publicity, public relations, editorial, or other advertising purposes. Initial \_\_\_\_\_

**SNOWSPORTS SPECIFIC:**

I understand that a helmet designed for RECREATIONAL SNOWSPORTS use will help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death can result from both low and high end energy impacts, even when a helmet is worn. I have been informed of the risk and understand that Big Sky Resort "Highly Recommends" the use of helmets for Snowsports. Initial \_\_\_\_\_
